1963 GRIST

UNIVERSITY OF
RHODE ISLAND

DEDICATION

In 1947 John F. Quinn was appointed as Dean of Men and Veteran's Councilor for the University of Rhode Island. To Rhode Island he brought the qualities of patient perseverance, leadership, and hard work as an athlete, scholar, adventurer, writer, and administrator.

In the fifteen years that he has been with us, he has assumed a position as a distinguished leader on the campus, and has shaped the destinies of many a student.

In 1957 Dean Quinn was appointed to the position of GRIST Advisor and served in this capacity until this year when, upon being appointed Dean of Students, he was forced to relinquish his advisory position owing to his added responsibilities.

To the man who has been a father, advisor, and friend to many, and especially to us; we, the staff of the 1963 GRIST, dedicate this book to John F. Quinn. Others have honored him for his many contributions to education, and many will honor him in the future, but they can never, in our estimation, honor him enough.

FRANCIS H. HORN
President

As the class of 1963, you are leaving your mark on the University of Rhode Island. At your graduation, your activities and accomplishments as a class become a part of the permanent record of your alma mater. We hope in return that we have left an indelible impression on you — that you have a new purposefulness and have set your feet upon a new path because of the patterns of thought and the knowledge that you have acquired here.

But this is only the beginning of our association. Like choosing a mate, in choosing a college you have made a life-time commitment. What you do throughout your life will affect the university because you are a product of URI, and by its products an organization is known.

And this is only the beginning of your education. If you and we have done even reasonably well in the last four years, you will continue to learn throughout your life. You will be one of those happy and interesting persons who is never the puppet of popular opinion and who measures the world by his own inner scale of values.

Wherever you go and whatever you may do, the university will keep a continuing interest in you and your accomplishments. We hope that when you are near Kingston you will stop to see us and that you and the university will benefit from a close association through the coming years.

PROFESSOR THOMAS G. RUSSELL

CLASS ADVISOR'S MESSAGE

Your selection of me as your class advisor has afforded me four years of pleasant associations with you and your capable officers. For this I am grateful.

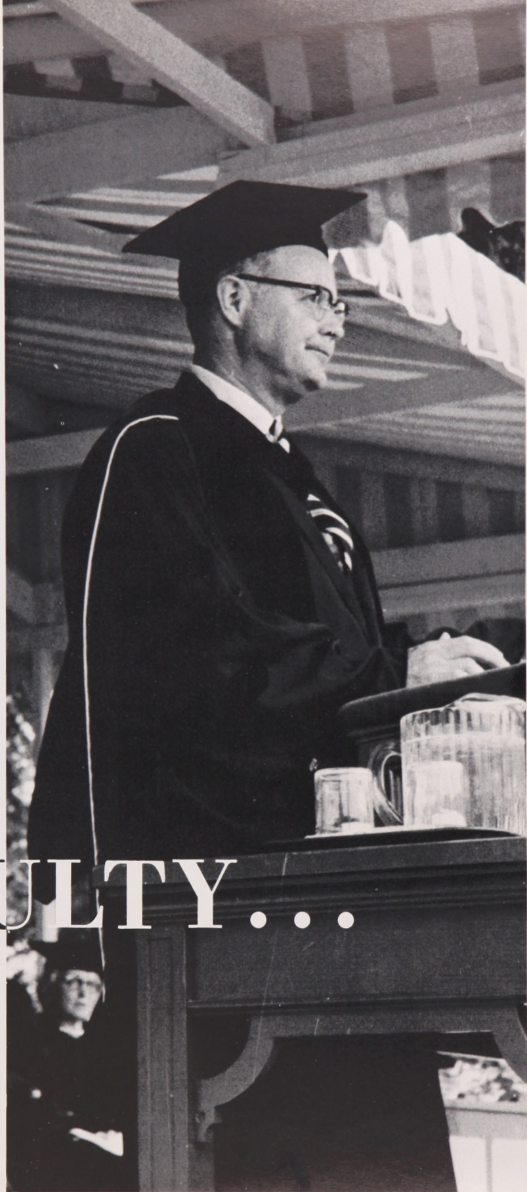

Congratulations on the successful completion of your studies. In your accomplishment you have grown in intellectual and spiritual stature.

You are now equipped with the tools and competence which qualify you to meet the many challenges confronting our society.

It is my hope that you will have the courage and the ambition to utilize these talents to master the problems of the free world, and to explore the unlimited possibilities which lie beyond the frontiers of human knowledge.

Professor Thomas G. Russell

SPORTS

... SPRING TRACK, 1962 ...

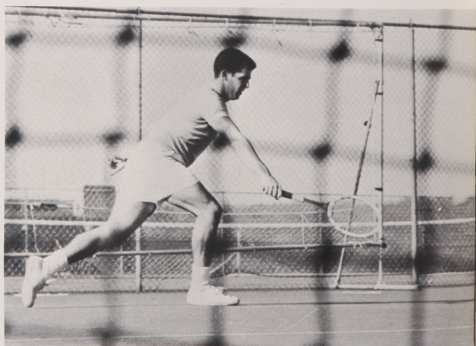

... the team had an outstanding season in 1962, finishing second in the Yankee Conference Championships ... there were dual meet victories over Northeastern, New Hampshire, Connecticut, and Brown ... Rhody had the two best pole vaulters in New England in Bob Patton and John Gonsalves ... Bob set a new URI record of 14 feet $\frac{1}{4}$ inch while winning the New England Intercollegiate Championships ... he also won the Yankee Conference Championship ... Gonsalves won the Brown meet setting a new Brown field record ... Bob Marshall set a new URI record in the javelin ... as a whole the team was outstanding and everything points to a successful 1963 season ...

... best season since tennis was initiated at URI ... won 9 and lost only 1 match ... 1962 state champions and second in the Yankee Conference Championships ... won every dual match in the Conference play ... team was led by Captain Barry Emanuel — second ranked player in the Yankee Conference ...

... TENNIS, 1962 ...

Captain Ken Conte led Rhody to a 7 and 1 season in intercollegiate competition . . . finished second in the Yankee Conference and second in the New England Championships . . . Joe Porter was outstanding in competition . . . other lettermen were Al Deutscher, Lee Karofsky, Gary Leteicq, Jerre Pease, and Dennis Quine . . .

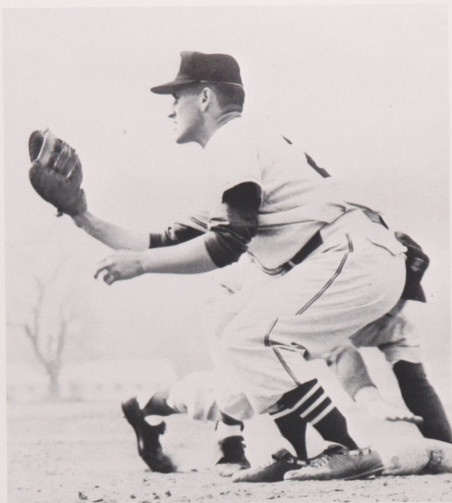

and GOLF . . .

... BASEBALL 1962 ...

... early season pitching was sharp ... Ricereto and Cronin were the mainstays of the pitching corps ... lost a couple of tough ones to Brown and P.C. but finished fourth in the Yankee Conference ... Pat Stark looks for a strong year in 1963 and improvements all around ...

... SAILING, 1962 ...

... team led by Captain Gary Winslow to Yankee Regatta championships ... Focole "B" Champions for 1962 ... took fourth place in the N. E. Dinghy Championship at the Coast Guard Academy ... Morton, Frisella, and Lyons scored well throughout the season ... Rhody has one of the top sailing teams in New England ...

FALL

SPORTS...

... CROSS

... harriers had a successful season ... defeated Connecticut, a perennial power ... Captain Bob Lund was the mainstay of the team ... Bob won just about every dual meet and took third place in the Yankee Conference Championships ... he also finished fifth in the N. E. Intercollegiate Championships ... two other seniors paced the team, Ernie Drew and Bill DiBattista ... while Marshall Gerstenblat, Pete Chamberlain, and George Jacques played important roles ...

COUNTRY...

... Rhody had a relatively strong season, winning five games and losing four ... it was only their second year of competition ... the highlight of the season was the victory over a strong Brandeis University club ... this year's rookies will build a strong team next year ...

... SOCCER ...

...SOUVENIRS...

... some from every game ...

... at half-time
... no rest
for the weary ...

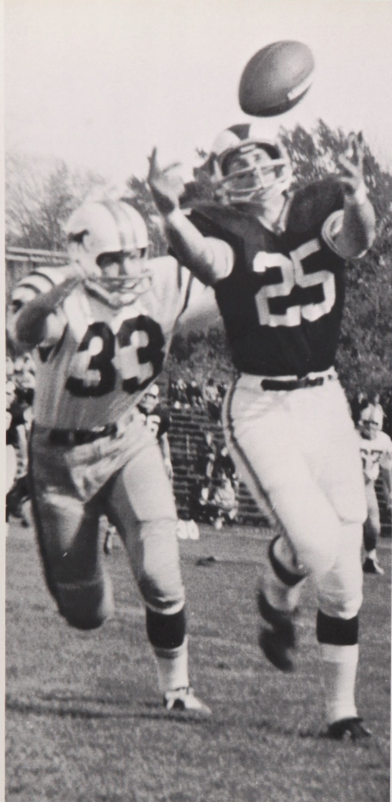

... watch ... and wait ...

... from Northeastern
— a shutout ...

... the defense
can be tight ...

... there it is, Vic

... the Vermont game ...

... almost, but not quite ... paydirt

... Mancini and Caito — strength
for a losing cause ... at home ...
a rough loss ... 21-12

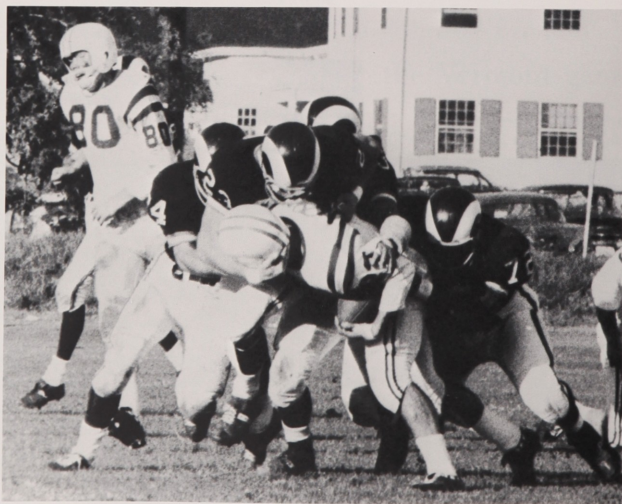

... so near ... and then ...

... strong,
but not
enough ...

... from Homecoming ...

... an only score ... UMass was *really* tough ...
we lacked the speed ... they didn't ... 42-8

... down,
but not out ...

... Coach Chironna
... man behind the men ...

... stopped, but only for a moment ...

... from Hofstra ...

... one of the top small college teams in
the East ... just too much ... 20-8

... Caito ... drive that line ...

... a long way from home ...

... you're on your own now ...

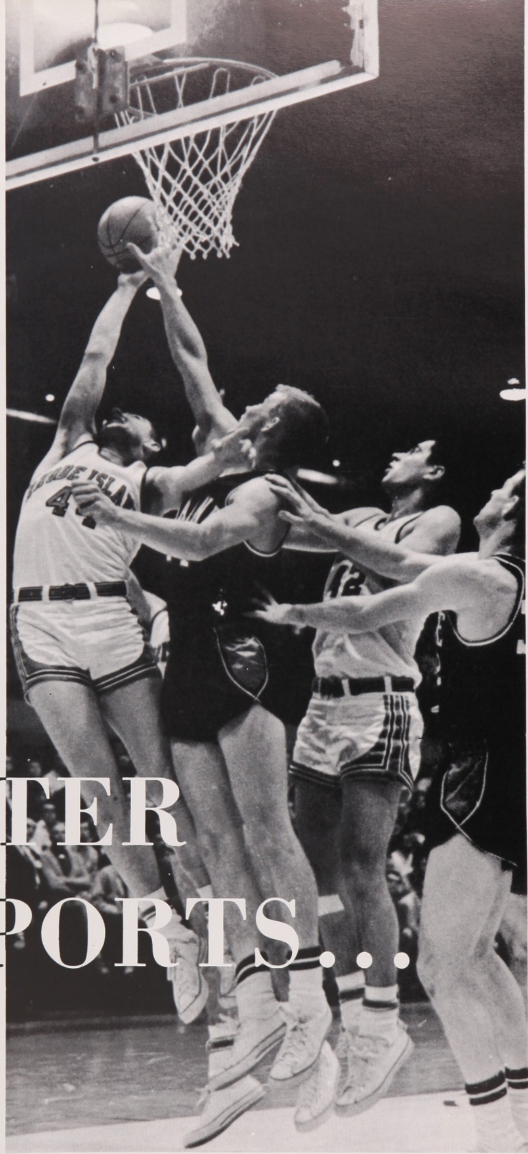

... Track ...

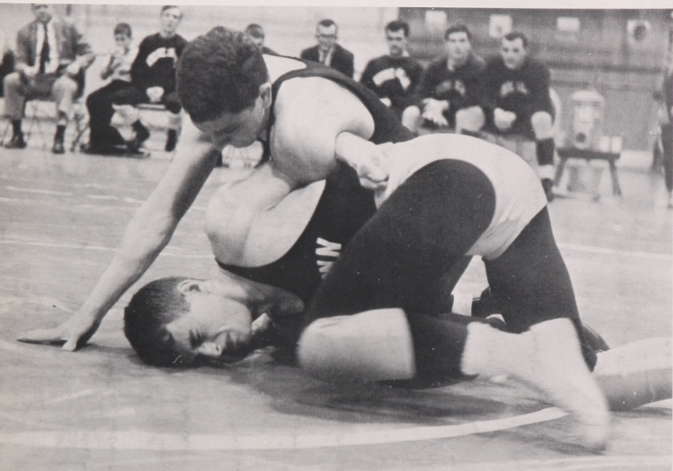

... indoor season was unsettled
 ... Rhody scheduled a triangular
 meet with Columbia and
 UConn ... decisively won by
 URI ... Rhody also participated
 in the K of C Games in Boston
 and New York, BAA Meet,
 NAAU Meet, and the IC4A
 Games ... the varsity relay team
 did well in all meets ... the
 team now looks towards a suc-
 cessful outdoor season ...

WINTER SPORTS...

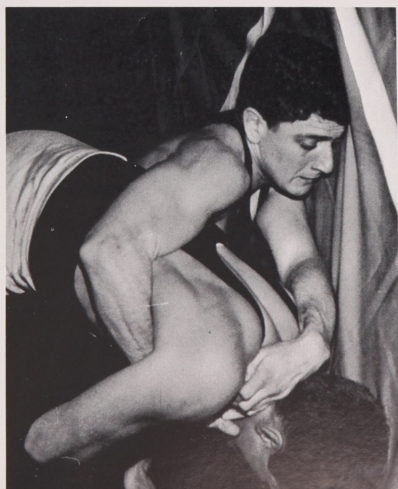

... Wrestling ...

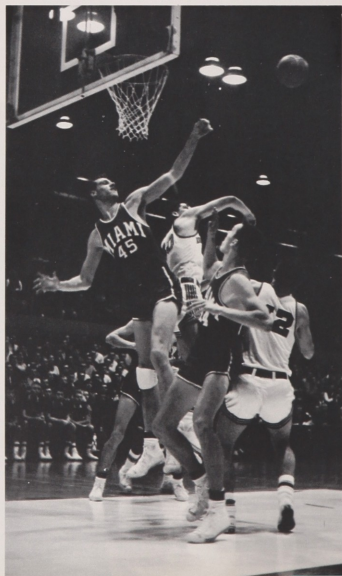

... second opened with the loss of many of last year's wrestlers... the new comers filled in many of the spaces left by graduation... 123 pound weight class had no one — an automatic five point forfeiture in every meet... this often spelled the difference between a win and a loss... no losses due to graduation this year point to a more successful season next year according to coach Maack...

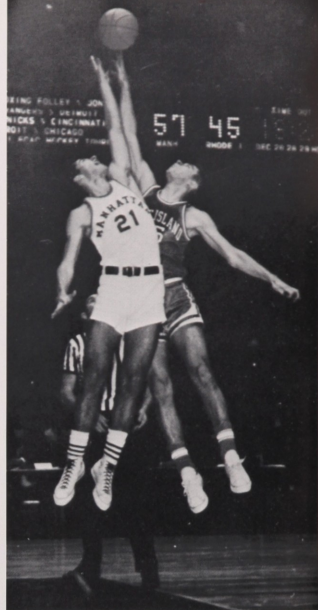

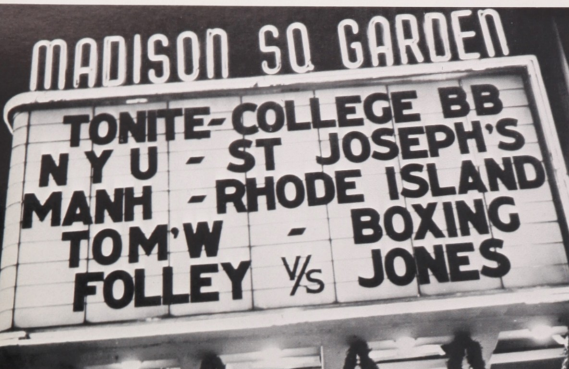

... Basketball ...

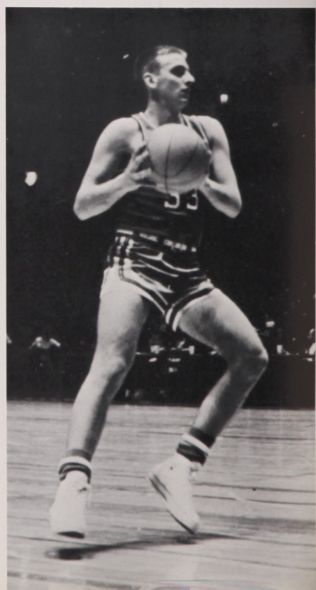

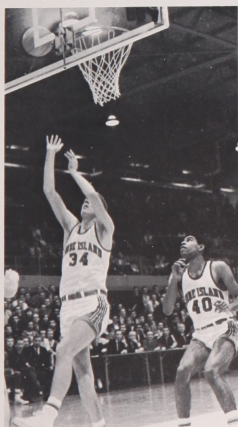

... Rhody opened its season against Brandeis ... we received a real scare from a real small team ... blew a first half lead but clutch shooting from Denny McGovern sparked a late surge ... Lee and Logan led Rhody's scorers and this was a forecast of things to come ... Miami's Hurricanes blew into Kingston for the second home tilt of the young season ... this nationally ranked team had a few big guns ... left URI in their wake, 88-80 ... Steve Chubin scored 21 points for a losing cause ... against Northeastern Rhody pulled out a 54-52 squeaker over the previously undefeated team ... the fourth game of the season was against Fordham ... the fired-up Rams from Kingston pulled one of the big upsets in winning 74-71 ...

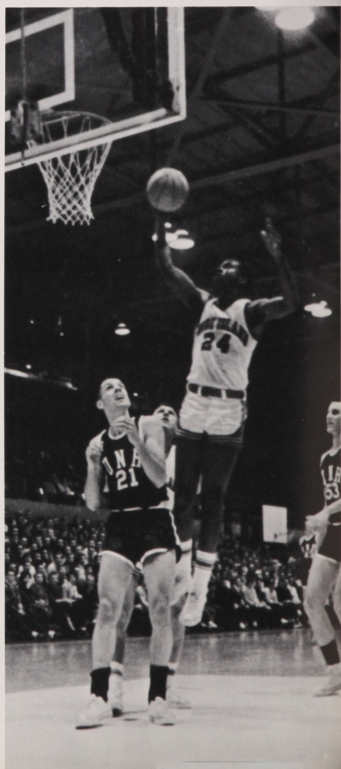

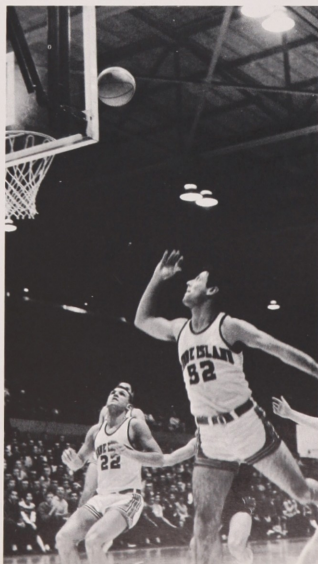

... Rhody met Brown for the first game of the home and home series ... both teams were at full strength ... as close a game as possible ... Chubin, 22 points, and Nightingale, 19 points led Rhody in a 63-62 losing battle ... in their second meeting Rhody prevailed 86-72 ... Chubin and Mulfinger really shone ... for their second trip to the Garden in two years the Rams drew a tough assignment ... Manhattan was just too much, winning, 88-82 ... the first Yankee Conference game was against Maine at Kingston ... Rhody led all the way for its first conference triumph ... Logan played brilliantly ... tossed for thirty points ... Chubin and Lee had 24 and 19 respectively ...

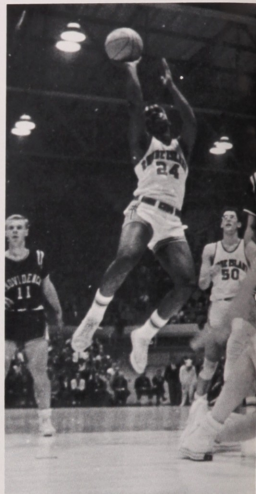

... as the season progressed the Rams became stronger ... rolled over the conference opposition, losing only to Massachusetts and Connecticut ... along the Rhody had victories over UNH, St. John's, Colgate, and Georgetown ... lost a couple of tough ones to Arizona State and PC ... the Calverlymen finished 15-11 ... second best mark in four years ...

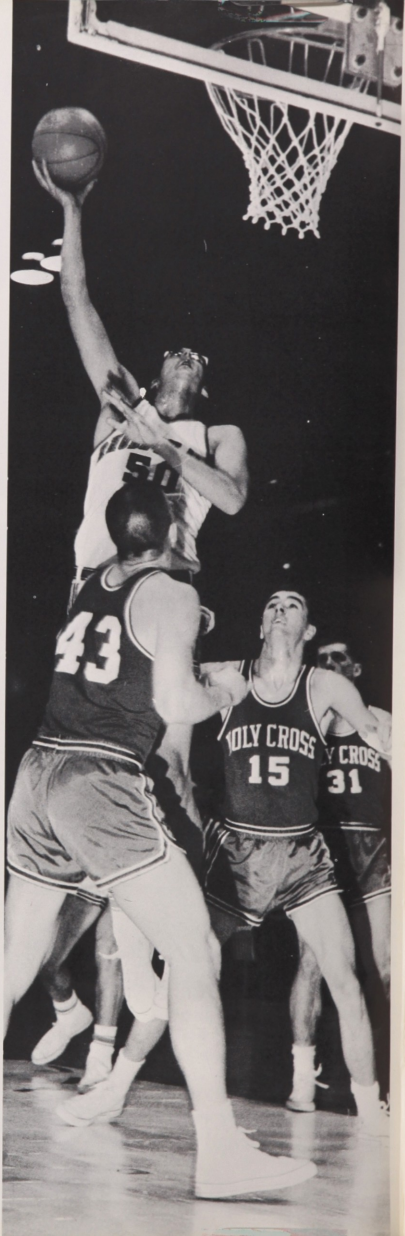

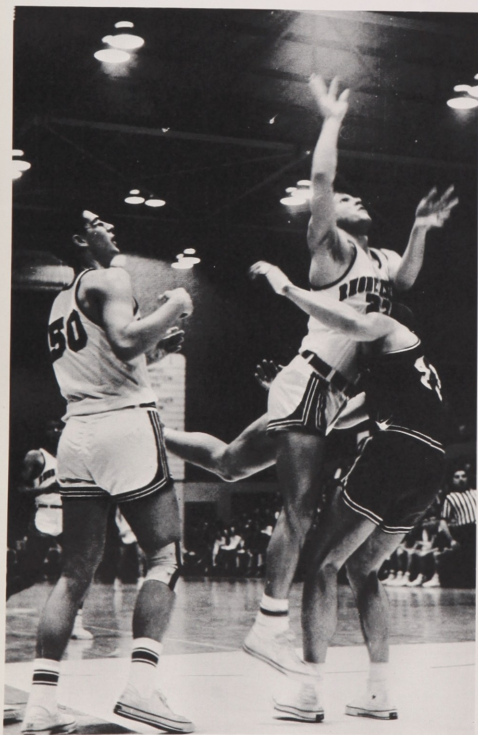

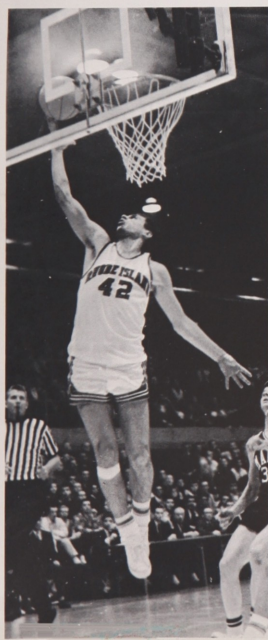

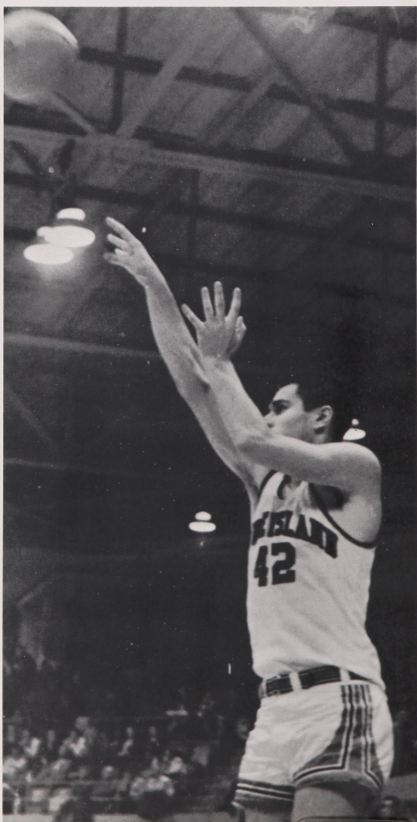

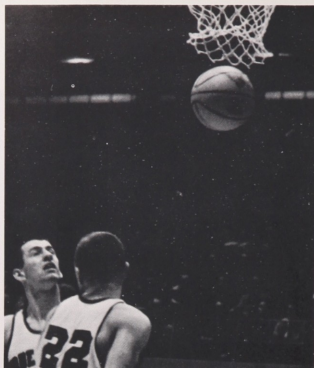

... Captain of the Rams, Bob Logan came into his own as a ball player this season ... provided the spark and determination when it was needed ... Frank Nightingale started the season slowly but picked up that added something ... he is a real asset to have on a team ... rebounded with the tallest of the nation's best ... Ronnie Rothstein provided the needed spark in the backcourt ... the fiery ball handler kept the team on the goat all times ... Denny McGovern, until his loss due to scholastic difficulties, was one of the best sixth men seen in this area in a long time ... his return next year will be anxiously awaited ...

... Charlie Lee was destined for a better year than last, probably the best of any player on the team ... here again scholastic woes beset the team and Charlie was lost at semester break ... even with the loss of these two key men Rhody played with the same determination and spirit ... Denny Dillon and company filled ably ... last but not least, Steve Chubin ... Steve scored 510 points this season, finishing among the top six scorers for one season in Rhody's history ... he made All-Conference, All New England, and NCAA District I honors ... he may well go on to be one of the top Rhody scorers of all time ... next year promises to be a bigger and better one with everyone returning except Logan ...

... Women's Sailing Team ...

... the fall season drew to a close with an increase in both membership and spirit. The group, composed of Gail Cotter, Carol Kenney, Judy Sullivan, Bonnie Krieis, Sue Crawford, Sally Lambert, Adelaide Trainor, and Gail Stevens, sailed in four out the four scheduled regattas finishing with two firsts, one second, and one third.

URI, one of the twelve New England schools having membership in the Women's Intercollegiate Sailing Association, placed first among these twelve for the fall season. Judy Sullivan, a freshman, received the honor of being named the top skipper for the season ...

...Field Hockey...

... seven houses participated in this year's Intramural Tournament. All games took place at the new Women's Hockey Field at the rear of Woodward Hall. The tournament itself was conducted under double elimination rules and the eventual winning team was that representing Lambda Delta Phi . . .

. . . the Interhouse Tennis Tournament officially started on Monday, October 15, with a qualifying practice round. The matches took place during the rest of October and the beginning of November at the E. R. courts. The winning housing unit was Tri-Delt, winning both the singles and doubles tournaments. Mary Lou Sylvester is the current singles champion and the team of Ellen Dierks and Jan DiRienzo, the doubles champions . . .

... Tennis ...

... Women's Athletic Association ...

... WAA offers a variety of opportunities to every Co-Ed enabling them to participate in sports activities of their choice. Each women student is a member of the association and she is represented by a chosen member of her housing unit.

In order to promote and conduct a variety of sports and dance activities that will reach every women student in the university, WAA sponsors a wide range of Intramural, Inter-collegiate, and Co-Recreational sports activities as well as Orchestis and other special projects ...

Pi...

Our highest ideal is that of scholarship, but along with this we realize the importance of fraternal bonds and everlasting friendships which will always be ours in future years.

Whether it be the lively chanting of "String Along" during Rush, the closer acquaintances made with our profs during the "Apple Polishing Tea," or our annual Ladd School Christmas Party with Chi Phi, the A.D.Pi's work together with co-operation and enthusiasm.

Although the years pass quickly at URI, memories do not. Graduation does not mean the end, but only the beginning of a lifelong affiliation with "the oldest secret society for college women" — Alpha Delta Pi.

...Alpha Xi Delta...

... 1963 was a successful year in Alpha Xi. Rushing with much enthusiasm, we garnered twenty-four pledges — a new high. One of our newest projects this year has been selling lunches at the dorms on Saturdays and this seems to have made a hit with everyone.

On the activities scene we placed first in the rallies competition and second in field hockey and volleyball while still maintaining good scholarship...

... Chi Omega ...

... Another great year for Chi Omega was topped by winning the highly coveted scholarship trophy for the third consecutive year and taking it out of circulation. Twenty new pledges and their parents were honored at the Pledge Parents' Tea in December. Compensating for the elimination of Homecoming floats this year, Chi O constructed a lawn display for the alums. Jan Lawton held a duel presidency, Chi Omega and WAA. Participation in rallies concluded with an amazing raid by the pledges. There was the rewarding philanthropic project at Ladd School and the Christmas party with Crag as Santa. . .

... Tri Delta began the year by pledging nineteen girls. Although the house is still in its infant stage here, it again proved itself to be an intricate part of the campus community. They participated in the launching of the Trident and offered an excellent act in the Pannahell Quonset show. There were the traditional house parties including the pansy party and the pine party and the annual pledge project, the shoe shine, by which the U.R.I. shoe population becomes spotless ...

MEN'S RESIDENCES

... although founded primarily as a social organization, Alpha Epsilon Pi still finds time to uphold scholarship and campus obligations. But happily we can look back upon the highlights of the social season, and the usefulness of the "armory" with a great deal of satisfaction and pleasure. Now that we again have a home, the future looks brighter and brighter . . .

...Chi Phi..

... in the Spring of 1962, the oldest fraternity on campus, Rho Iota Kappa, was installed as the Rho Iota Kappa chapter of Chi Phi Fraternity, one of the oldest national brotherhoods in the country. In the following months the new fraternity proceeded to take its rightful place on campus by winning the Homecoming Lawn Display competition and the Model United Nations Debate. Participation also extended to the field of sports as Chi Phi placed second in the Intramural football league.

Consonant with the Fraternity's scholastic ideals, the academic average of the house was the second highest of the men's social fraternities, making this the third year in succession in the top three academically.

New as the fraternity is, it still retains the fifty year old traditions of the Nut House Ball, the Spring Picnic, and the Spring and Fall Formals. Chi Phi looks forward to a future of success and service to the University, and prospects for the coming year are bright as evidenced by the pledging of twenty-eight new pledges...

...Lambda Chi Alpha...

... the Lambda Chis have had another great year. Harry's back and so are his leadcakes. Mrs. M. also made it back for the year — what a change — no more cage rattling or Friday night horror shows. Thanks to Ue and his committee the house scholarship has gone up and is still climbing.

Leo, Rabbitt, Sam, and company brought home another Open Bowling League championship while Wedge and Keatsie are still the badminton champs. The floorboard five are moving right along with a full head of steam, and no one can stop them.

Let's not forget those parties! The Ranch Dance is back along with the Sweetheart Dance, Pledge and Spring Formals. Last but not least, how about those "swinging" dry Vic dances ...

...Phi Gamma Delta...

... the brothers of Kappa Rho chapter of Phi Gamma Delta look back at the year 1962-1963 with a feeling of accomplishment, pride and joy. We started off the year right with an announcement from our national that we were among the top ten chapters in the nation. The fall social season found us rocking out at our annual Purple Garter Ball, the Segalini Special, the Magner Mash, and the Godfray Gasser. Mrs. Wertz's Christmas Party was one of the best we've known and undoubtedly Heathcliff's Birthday Party was great fun — especially after his age was determined by majority vote.

The FIJI'S came to forefront of the campus late in December in an attempt to save the Watson House, URI's oldest structure and the first home of Phi Gam in Kingston. Dr. Carl R. Woodward, president emeritus of URI and a loyal FIJI, headed the drive which realized over twenty thousand dollars in one short month.

The chapter average rose in the first semester — for the eighth straight time in a row — and the Fox and his boys brought the Intramural bowling trophy home to Fijiland. The Fiji Islander and the Pledge Formal were the hits of the second semester social season along with the many impromptu "mashes". The Norris Pig Dinner brought our alumni back to "rehash" the good old days with all the undergrads. As spring approached — graduation inevitable — the Fiji's prepared to lose the outside world many of the colorful seniors who have been a part of Kappa Rho. We know that H.N., God, Eric, J.B., Sancho, T.D., Murph, Bubbles Denny, B.N.B. Pushcart, Happy and Pledge Faltii will all miss Mrs. Wertz, our devoted housemother, who has given so much of herself in making Fijiland such a fine home.

Phi Gamma Delta is pleased with its progress and its opportunity to serve URI, but, even more, we are exceptionally proud of the close brotherhood and friendship that Kappa Rho instills in its members. Phi Gamma Delta is not for the college days alone, and Kappa Rho is a living example . . .

... the old saying "you can't judge a book by its cover" is exemplified by Nu Eta chapter. Although one of the oldest houses on campus, Nu Eta is still one of the tops in personal and activities. The house last year maintained third place in both Intramurals and in Scholarship, while winning the Intercollegiate Trophy for combined athletics and scholarships.

The social season was highlighted by the Pledge Dance, Homecoming Dance, the Fiesta and Picnic. Phi Mu was indeed proud to co-sponsor a Christmas party for the local orphanages with Delta Zeta.

In another year Nu Eta chapter will be boasting the newest and most modern house in the Phi Mu Delta circle. The ground has just recently been broken for a new \$280,000 house . . .

... the Seniors who have left us will never forget the memorable events of the year: Homecoming, with its great turnout; the Sweetheart Ball, full of nostalgia and beautiful girls; the Barbary Coast Ball, again the highlight of the Spring social season; the Derby, with its "brawn against brawn;" the Turkey Bowl game and triumphant brothers once again.

All this has been against a background of Rhody's increasing spirit, campus expansion, Union

activities, and intensified curriculums. All this along with Ma Thornley, the cold winter decks, the newly-planted, newly-trampled grass, slow-motion football, and the Twist.

"Chair!" "Telephone!" "It'll never get off the ground!" "Study hours!" "Pledge!" "Line call!" None of this will be forgotten by those who were a part of it for so long.

... Sigma Phi Epsilon ...

... The past academic year was Sig Ep's first full year at URI. During this period the Sig Eps revealed stark determination to overcome the adversity of being a new group and produced glimpses of what can be a glorious and rewarding future.

Sigma Phi Epsilon placed high in the volley ball intramurals and while not producing the same results in other sports the fraternity is hopeful of a better showing in the future. One high point for Sig Ep was a very excellent showing in the Greek Week festivities. Sig Ep was one of six fraternities to participate in the inter-house sing and later placed second in the annual chariot race. One chariot, built and designed by our first pledge class also won title to first place for best looking.

Sig Ep highlighted its social season with its traditional Sweetheart Ball. This formal occasion was enlightened by the crowning of the Sig Ep Sweetheart. During the football season Sig Ep produced one of the most flamboyant floats ever produced for a rally and the float was subsequently requested by the Blue Key to represent URI in the Homecoming parade.

At present, Sig Ep is situated at 40 Fortin Road in a house rented from Dr. and Mrs. Pease. The Brotherhood is hopeful of soon building a new house on Fraternity Row ...

... the house at 99 Upper College Road moved into the 1962-63 school year with great vigor!! A new coat of white paint and a freshly seeded lawn made people living there look up and be proud that Sigma Pi exists at the University of Rhode Island.

The Fraternity's activities in spreading Christmas cheer for last year was something new for the local chapter. Participating for the first time in the Fraternity-Sorority sponsored parties for underprivileged children, Sigma Pi held a party for 20 youngsters from Ladd School. The brotherhood enjoyed the experience so much that this event may well become an annual event for us in future years.

Also new was our housemother. Mrs. Charlotte Niven, Sigma Pi's housemother for twelve years, retired at the end of the '62 school year. After a summer's search, the chapter found Mrs. Isabelle Hickey from the University of Connecticut. Mrs. Hickey is doing an exceptional job and Alpha-Upsilon is more than satisfied with her.

The strength in numbers of Sigma Pi continued at its planned normal level — 50. No plans are afoot to enlarge this number because we have found a house of fifty large enough to function properly and still retain the quality of brotherhood.

Scholastically, the chapter showed an increase in its quality point average for the third successive year. At mid-year, the Q.P. average levelled off at about 2.4. This figure was higher than both the all men's and all fraternity average.

The past year has shown Sigma Pi to grow . . . both scholastically, and socially. We at Alpha-Upsilon look for this growth to continue in the time to come . . .
